Bursaries

Information and instructions

Applications are invited from young and deserving pathologists for Bursaries to attend the 2010 IAP Congress. Applicants should preferably be junior pathologists ie.those still in training **or** newly appointed to a senior post. Pathologists from neighbouring countries to Brazil are particularly encouraged to apply and preference will be given to those submitting a poster.

The amount awarded will be to the value of **US $1000** and the Registration fee will be reduced to **US $200**.

Applications should include i) full name, career status, address and short CV, ii) IAP Division/ Country of applicant and names of 2 referees, iii) title and abstract of poster to be submitted.

The numbers of bursaries are limited so applications should be made as soon as possible and **not later than 31.03.2010.**

The IAP Education Committee will be making the selection of the awards; therefore applications should be made via e-mail to

Professor Kristin Henry MD
