**International Academy of Pathology, Norwegian Division.**

*Board 2008-10:*

Chairman: A. Kathrine Lie, MD PhD  
Secretary: Hege Aase Sætran, MD  
Treasurer: Ying Chen, MD

*Members and bylaws:*

From 2007, membership in the Society is automatically connected to membership in the Norwegian Medical Union. Associate membership is still possible and the relation to IAP is not altered. The bylaws of the Division have been rewritten, according to the new bylaws of the Society. IAP-Norway has 276 members (included six associated members without membership in the Norwegian Medical Union). 49 members are above the age of 67, and 45% are women.

*Activities:*

The Norwegian Division is closely connected to the activities of the Society. No independent activities have taken place during the present year.
