

REPORT OF VICE PRESIDENT (2007-2010)

ROBERT Y. OSAMURA, MD

JAPANESE DIVISION OF IAP (JDIAP)

Vice President of IAP: Robert Y. Osamura (International University of Health and Welfare)

Officers of JDIAP (2007-2009)

President: Hiroshi HASHIMOTO, University of Occupational and Environmental Health

Past President: Toshio MOROHOSHI, Showa University

President-elect: Osamu MATSUBARA, National Defense Medical College

Secretary-Treasurer: Norimichi NEMOTO, Nihon University

Education Chair: Zenya Naito, Nihon Medical University

Councilors: Toshiaki SANO (Tokushima University), Hironobu SASANO (Tohoku University),

Makoto KURODA (Fujita Health University), Yukio NAKATANI (Chiba University), Tadashi

YOSHINO (Okayama University), Taizo SHIRAISHI (Mie University)

Committee Chair: Hiroshi IWASAKI (Fukuoka University), Toshi MOROHOSHI (Showa University), Tadashi YOSHINO (Okayama University), Hirohiko YAMABE (Kyoto University)

Present Officers of JDIAP (2010-2012)

President: Osamu MATSUBARA, National Defense Medical College

Past President: Hiroshi HASHIMOTO, University of Occupational and Environmental Health

President-elect: Toshiaki SANO, Toranomon Hospital

Secretary-Treasurer: Ryohei KATOH, University of Yamanashi

Education Chair: Michio SHIMIZU (Saitama Medical University)

Councilors: Hironobu SASANO (Tohoku University), Makoto KURODA (Fujita Health

University), Yukio NAKATANI (Chiba University), Tadashi YOSHINO (Okayama University),

Akinori IWASHITA (Fukuoka University)

Committee Chair: Hiroshi IWASAKI (Fukuoka University), Tadashi YOSHINO (Okayama University), Hiroshi HASHIMOTO (University of Occupational and Environmental Health)

NUMBER OF JDIAP MEMBER:

2008: 576

2009: 564

2010: 636

ACTIVITY

The 48th annual meeting of Japanese Division of IAP

December 22nd, 2008, in Matsuyama, Ehime, Japan.

The symposium focusing on “The new wave of cytology of uterine cervix-Bethesda system and Liquid based cytology”.

Organizer: Dr. Norimichi Nemoto (Nihon University)

Moderator: Drs. Tsunehisa Kaku (Kyusyu University) and Hiroyuki Yamai (Okayama University)

Speaker: Dr. Tsunehisa Kaku (Kyusyu University), Dr. Hiroyuki Yamai (Okayama University), Dr. Ryo Konno (Jichi Medical University), Dr. Yoshiki Mikami (Kyoto University), Dr. Yousei Katayama (Hachinohe City Hospital), Dr. Kiyomi Taniyama (Kure Medical Center)

The slide seminars :

No. of attended practicing pathologist who took courses are more than 200.

Organizer: Dr. Zenya Naito

Speaker: Dr. Koichi Ooshima (Bone marrow), Dr. Teiichi Motoyama (Endometriosis and related lesions), Dr. Ryohei Katoh (Thyroid tumor), Dr. Hiroshi Hashimoto (Soft tissue tumor), Dr. Toshio Morohoshi (Pancreas tumor), Drs. Yukio Nakatani and Osamu Matsubara (Lung tumor and inflammation), Dr. Tadashi Yoshino (Malignant lymphoma), Dr. Michio Shimizu (Skin tumor)

Young Investigator Award 2008:

Dr. Sohei Yamamoto, National Defense Medical College

Dr. Mikiko Aoki, Fukuoka University

The 49th annual meeting of Japanese Division of IAP

December 21st, 2009, in Tokyo, Japan.

There were about 200 delegates.

The symposium focusing on “Lung cancer and malignant mesothelioma” was held between 9:00-12:00.

Organizer: Dr. Norimichi Nemoto (Nihon University)

Moderator: Drs. Masayuki Noguchi (Tsukuba University) and Yuichi Ishikawa (The Cancer Institute, Tokyo).

Speaker: Dr. Masayuki Ishikawa, Dr. Chiho Kobayashi, Dr. Kenzo Hiroshima, Dr. Yuichi Ishikawa, Dr. Sachio Takeshima, Dr. Mark Eugene J, and Dr. Ryo Tsujimura.

The slide seminars :

Organizer: Dr. Zenya Naito

Speaker: Dr. Toshitaka Nagao (Salivary gland tumor), Drs. Osamu Matsubara and Yukio Nakatani (Lung tumor and inflammation), Dr. Toshio Morohoshi (Pancreatic tumor), Dr. Tadashi Yoshino (Malignant lymphoma), Dr. Takanori Hirose (Brain tumor), Dr. Koichi

Ooshima (Bone marrow), Dr. Teiichi Motoyama (Endometriosis and related lesions), and Dr. Ryohei Katoh (Thyroid tumor)

Distinguished Service Award 2009:

Dr. Shigero Mori, University of Tokyo

Dr. Hirohiko Yamabe, Kyoto University

Silverberg Distinguished Pathological Diagnosis and Education Award 2009:

Dr. Hidenobu Watanabe, PCL Japan

Dr. Yo Kato, Dokkyo Medical University

Young Investigator Award 2009:

Dr. Yasuharu Sato, Okayama University

Dr. Tomonori Kawasaki, University of Yamanashi

Dr. Aya Shinozaki, University of Tokyo

Dr. Yoshitake Ooishi, Kyusyu University

The 10th Surgical Pathology Update 2009

May 29-31, 2009, at Shonan Internation Village in Hayama, Kanagawa, Japan

The SPU focusing on "Surgical Pathology of Neural Tumor and Uterus"

Course directors:

Dr. Steven G. Silverberg, Maryland University

Dr. Robert Yoshiyuki Osamura, Tokai University

Guest Faculty:

Dr. Steven G. Silverberg, Maryland University, US

Dr. Bernd W. Scheihauer, Mayo Clinic, US

Dr. Takanori Hirose, Tokushima Prefectural Hospital, Japan

Dr. Yoshiki Mikami, Kyoto University, Japan

The 11th Japanese-Korean Conjoint Slide Conference of IAP

November 13-14, 2009 at the Hotel Nagoya Garden Palace and Nagoya University, Nagoya, Aichi, Japan.

Congress President: Dr. Makoto Kuroda, Fujita Health University

The Conference was very well attended with delegates from Japan and Korea.

There were 115 delegates from Japan and Korea (75 from Japan and 40 from Korea).

The companion meetings described below were also held at same place.

The 8th Japanese-Korean Conjoint Slide Conference of Bone & Soft Tissue Pathology

The 3rd Japanese-Korean Conjoint Slide Conference of Lung Pathology

The 4th Japanese-Korean Conjoint Slide Conference of Renal Pathology

The 6th Asia Pacific IAP

The 6th APIAP was held at Kochi, Kerala, from 20th to 23rd August 2009 at the Le Meridien Resorts and Convention Center.

The Organizing Committee included Dr.M. Balaraman Nair (Congress President), Dr. Anita Borges, Vice President Asia IAP (Congress Vice President), Dr. Francisco Couto, President IAP – Indian Division (Chairman of Congress Scientific Committee and Chief Co-Ordinator). There were 130 Faculty speakers and more than 630 delegates from different countries of the world.

The 5th Asia Pacific Society for Molecular Immunohistochemistry (APSMI)

June 5-7, 2009, in Shantou, China.

President: Dr. Jiang Gu

Planned Activity in 2010

The 50th annual meeting of Japanese Division of IAP

November 27st, 2010, in Fukuoka, Japan.

The symposium focusing on “Gastric cancer”

Organizer: Dr. Ryohei Kato (University of Yamanashi)

Moderator: Drs. Yo Kato (Dokkyo Medical University Nikko Medical Cnter) and Akinori Iwashita (Fukuoka University).

Speaker: Dr. Takeshi Sano, Dr. Atsushi Ochiai, Dr. Ryoji Kushima, Dr. Akinori Iwashita, Dr.Yo Kato

The slide seminars :

Organizer: Dr. Michio Shimizu

Speaker: Dr. Takuya Moriya (Breast cancer), Dr. Koichi Ooshima (Bone marrow), Dr. Teiichi Motoyama (Endometriosis and related lesions), Dr. Takanori Hirose (Brain tumor), Dr. Akinori Iwashita (Colon polyp), Drs. Osamu Matsubara and Yukio Nakatani (Lung tumor and inflammation), Dr. Toshio Morohoshi (Pancreatic tumor), Dr. Toshitaka Nagao (Salivary gland tumor)

The 3rd Japanese and Taiwanese Conjoint Slid Seminar of IAP

November 6-7th in Gaoxiong, Taiwan]

President: Dr. Osamu Matsubara (Japan) and Dr. Shin-Ming Jung

Organizer: Dr. Ryohei Kato (Japan) and Dr. Liang-Che Chang (Taiwan)

Activities of the Korean Division of IAP

(March ~ September, 2010)

- I. The 35th Annual Spring Meeting of The Korean Society of Pathologists and The 53th Meeting of the Korean Division of The International Academy of Pathology
 - May 13~14, 2010
 - Hotel Inter-Burgo, Taegu, Korea
 - Scientific contents
 1. Plenary lecture
Humanized mouse model which represents Immune System of Homosapiens
 2. Mini-International symposium
 - 1) New concepts of the pulmonary diseases
 - 2) New concepts of Bone & Soft tissue diseases and tumors
 3. Long course
Pathology of thoracic tumors and non-neoplastic lesions
 4. Short courses
 - 1) Molecular testing in cancer
 - 2) Practical lymphoma diagnosis according to the 2008 WHO classification
 5. Speciality conferences
 - 1) Skeletal muscle diseases
 - 2) Diagnostic criteria for malignant endocrine neoplasm
 - 3) Diagnostic pitfalls in GI diseases
 6. Companion meetings
 - 1) Practical informatics
 - 2) Tissue bank
 7. Slide seminar ; 6 cases
 8. Luncheon seminar
 - 1) Introduction of clinical molecular pathology Lab.
 - 2) Innovative activities in pathology, Seoul National University Bundang Hospital.
 - 3) Anatomic pathology in Taiwan
- II. Monthly slide seminar(3)
 1. April, 16. : Hanyang university Hospital, Seoul
 2. May, 14. : Hotel Inter-Burgo, Taegu
 3. September, 17. :
University of Ulsan College of Medicine, Asan Medical Center, Seoul

III. Continuing Medical education

1. April, 10. :Seoul National University Children's Hospital
Dermatopathology
2. July, 10. : Catholic University Seoul St. Mary's Hospital
Breast pathology
3. September, 11. : Korea University Anam Hospital
Renal Pathology

TAIWAN DIVISION OF IAP

The activities of Taiwan division of IAP is as followed,

20-24 May, 2011, 7th Asia Pacific IAP Congress, Taipei, Taiwan

7 November, 2010, The 3rd Japan-Taiwan Conjoint Slide Conference and Autumn annual meeting of Taiwan division of IAP, Kaoshiung, Taiwan

6 June, 2010, Annual meeting of Taiwan division of IAP, Taipei, Taiwan

29 November, 2009, Autumn annual meeting of Taiwan division of IAP, Taipei, Taiwan

24 May, 2009, Annual meeting of Taiwan division of IAP, Taoyuan, Taiwan

The other activities: dermatopathology short courses, gynecopathology slide conferences, and molecular pathology conferences in recent one year.

THAI DIVISION

IAP 2014 XXX International Congress in Bangkok,

Thailand

September 22-24, 2014

The Congress will take place in the Bangkok Convention Center at Central World
